

## June 2023 Brewsletter

Ale the Brews that's Fit to Pint!

**Water! Water! Everywhere!**

**And 90–95% of it makes up your homebrew!**

Memorial Day is in the rearview mirror and pool season is upon us! That means it's time to get your water tested... not for swimming but for brewing. Join your **Butler County Brewing Society** for our **June Membership Meeting** and brush up on your water chemistry. This month's KART will see **Dr. Matt Cutter** share some simple ways you can get the most out of that most basic brewing ingredient...

**Water.**

Of course before you can hit a target, you have to know where you're starting from. To help, in partnership with **MBW** we are offering **free water chemistry analysis to paid BCBS members**. Just bring a sample of your standard brewing water to the June Membership Meeting. Samples should be in a small mason jar labeled with your name and date. Water reports will be distributed when results are received from the lab.

The **June Monthly Membership Meeting** will be Sunday, **June 11th** starting at **7pm**. We will again be at **MBW Champion Mill**, located inside the **Warehouse Hotel** on the east side of North B Street. Note that we will be skipping **First Call** this month, but the **Homebrew Bottle Share** is on like Donkey Kong!

Can't make the Monthly Membership Meeting?

Don't forget about the [Virtual Bottle Share](#)! Drop some of your homebrew in the cooler at the MBW High Street walk-in. We'll bring those offerings to the Membership Meeting and swap them out something new. You can revisit the cooler sometime after the Meeting to see what your fellow BCBS members are up to

Also be sure to check out the other [Events Throughout the Month](#) and connect with your fellow BCBS Members!

### Memberships

To join, renew, or inquire about your BCBS membership status, please contact Treasurer, **Matt Cutter**, or email [brewers@butlercountybrewing.org](mailto:brewers@butlercountybrewing.org). Memberships are \$30 per person and are good for 12 months from when you join/renew.

Also consider joining the [American Homebrewers Association](#). Joining AHA gets you a subscription to their homebrewing magazine, Zymurgy, access to past Homebrew Con presentations, as well as recipe archives for award winning beers. It can also help us earn a discount on our club insurance if you specify **Butler County Brewing Society** as your homebrew club!
