Brew and have a Homebrew!

From the President's Bar Stool

March, the month of luck, and hoping spring gets here quickly. I know in my household I am ready to get outside and start doing things. As a club we have been busy planning to have a fun, active, and busy year.

Let's start off March with another great meeting. This month Cutter will be entertaining us with some educational material. Followed by the club bottle share. Let pull out all stops again and fill the bar with some great homebrews. Then represent the BCBS at the Hamilton O'DORA parade and dash on March 17th. As a group we take the long parade route between MBW High Street and The Casual Pint. I know it is a long walk, but you can bring a beer with you. After the parade we all line up to perform a little jig all the way from The Casual Pint over to Tano. As reigning champions from last year, we need to be ready for the competition.

Looking at the schedule past March, all I can say is this is just the start to a great year. I look forward to seeing everyone at the meeting and sharing homebrew. Cheers!
