

## June 2026 Brewsletter

Keep Brewing, Brewing, Brewing!

## From the President's Bar Stool

I would first like to start off with a HUGE congratulations and thank you to the staff and owners of Municipal Brew Works on your 10-year anniversary! MBW has been our #1 sponsor and host since the beginning of the Butler County Brewing Society. From taking time out of your own schedule to open the doors for our monthly meeting to allowing us to crowd your patio to demonstrate brewing techniques to anyone around. Jim and crew have always been there to help our club out in many ways. We can't thank you enough and look forward to everything to come. Cheers!

With any big anniversary also comes a big party. Next weekend June 12th -14th, Municipal Brew Works is throwing their biggest party yet. Plenty of great food trucks are coming in. Great live music is

scheduled. I invite everyone to come down and join in the fun. BCBS will have a reserved table for anyone to join.

If the anniversary party is not enough fun for you, we also have our members' meeting next Sunday June 14th. This one is also going to be one for the memories. We are bringing in Kelly Montgomery from Third Eye Brewing Company to discuss stouts. Kelly has been awarded so many medals he had to open a second brewery just to store them in. Many of which are for his stouts. Come join us for the meeting to learn how he designs his recipes to be medal winners!

Lastly, The 2026 Fermentation Frenzy is coming up fast. We are still looking for volunteers to help run this massive event. We need judges, even if you are not BJCP certified. We will team you up with some of our excellent judges to help walk you through your first judge. Not quite ready to judge, come be a steward, you will sit at the tables, and be able to see how these wonderful judges go through their judging. At the same time, you will manage the table, get clean glasses, the entries from the Cellar Master. This is one of BCBS's biggest events and it takes the whole team to make it successful.

Prost!
