Happy Hour

October 16th, 2026 @6:00pm

Come share a pint with us @GlendAlehouse Brewery in Glendale. The beer is great. They usually have an ESB on an English Beer Engine. It's a nice friendly place to hang out. They also have a pizza and sandwiches made in a wood fired oven. Let's enjoy some great beer together. We will be hanging out starting around **6pm**.

Club Cider Buy Update!

For those interested in making ciders and you haven't reached out to Chuck yet, you need to do that now. **Today is your last day to place your order.**

Cider pricing will be $7.15/gal which is a bit higher than they had first estimated.

Chuck's planning to be at the Oct 11 meeting and hoping to get the cider on Oct 10 and drop off at Spooky Nook. Still need to confirm logistics there.

Contact Chuck directly with your email/phone number to work out the details.

Reminders:

There is only apple cider - no pear juice. I will ask them to pasteurize via UV which will help minimize wild fermentations.

Place orders with me directly - must be in 1 gallon increments (that's how I get them).

All orders must be received by October 5.

I will provide my Venmo/PayPal. Cash will be an option as well at time of pickup.

Learn to Homebrew Day

November 7th, 2026

This year we'll be at Third Eye Brewing Company in Hamilton again. Learn to Homebrew Day is on November 7th and we'll be starting at 8am. We'll have a counterflow chiller that can be shared for cooling the wort so it's pretty quick and all of us aren't lugging garden hoses around. Last year we had six brewing rigs demonstrating the use of extract and brew in a bag methods to make a variety of beer styles. This is a great opportunity to learn from others in the club and see a variety of equipment & techniques. Hope to see you there!

Barrel Project Update

Bourbon Barrel - Don B. will coordinate discussion on next brew. Need to decide on style/recipe. Looking at a barrel unload/load in November.

Rum Barrel - Belgian Dark Strong is out and pretty good. The Wheat Wine is loaded. Current thought is beer 3 will be a Bier de Garde.

Rye Barrel - Barrel change will happen in October. Beer 2 (Wee Heavy) is in various states of readiness.
