2027 Memberships

We're offering a **2-year membership at a reduced price this year**!

- 2-year membership for $50 (save $10)
- 1-year membership for $30

This helps the club by reducing the number of aluminum engraved club membership card we make each year. We'll do two rounds of making membership cards. The first batch will include everyone who renewed by Jan 31. The second round will include everyone who renewed by March 31.

Please reach out to your Treasurer, **Matt Cutter**, to pay your 2027 membership dues. If you are interested joining or have any questions please email brewers@butlercountybrewing.org, or talk to one of your board members.

Also consider joining the **American Homebrewers Association**. Joining AHA gets you a subscription to their homebrewing magazine, Zymurgy, access to past Homebrew Con presentations, as well as recipe archives for award winning beers. Membership helps our club with our insurance costs so please keep up the registrations!

Learn to Homebrew Day

November 7th, 2026

This year we'll be at Third Eye Brewing Company in Hamilton again. Learn to Homebrew Day is on November 7th and we'll be starting at 8am. We'll have a counterflow chiller that can be shared for cooling the wort so all of us aren't lugging garden hoses around. Last year we had six brewing rigs demonstrating the use of extract and brew in a bag methods to make a variety of beer styles. This is a great opportunity to learn from others in the club and see a variety of equipment & techniques. Hope to see you there!

The tour would likely be late morning/early afternoon, last for 2-2.5 hours, and cost around $40. This is all preliminary information. If you're interested, please email brewers@butlercountybrewing.org, or talk to one of your board members. Please include dates that work for you.
